

Sarah Jones London: mini-product reviews

Magazine bite #1

If you've been overdoing the late nights lately, why not treat yourself to one of these delicious new **eye pillows** from skincare guru **Sarah Jones**? Choose from **Tender Touch**, with soothing field mint, rose petals and calamus, or **Sweet Dreams**; a refreshing blend of eucalyptus extract and chrysanthemum. Ten minutes to bright, shadow-free eyes... no wonder Sarah Jones' products are gaining a cult status with beauty aficionados!

Magazine bite #2

Sarah Jones London is the revolutionary new skin and body care range that has got celebrities all a-twitter. Sarah's products contain only the purest, most organic ingredients available – hand-blended to bring the body, mind and spirit into complete harmony and balance. From luxurious facial creams such as **Love Ever After** (a super-hydrating crème with aloe, jojoba and essential oils) to zinging bath accessories (the amazing **Heaven Scent** exfoliating shower gel contains jojoba beads that literally 'ping' on contact with the skin!)... Sarah Jones is the perfect way to bring a ray of sunshine into a chilly January. And with A-listers like **Sienna Miller**, **Jade Jagger** and **Angelina Jolie** as fans, we're not arguing with the results!

Magazine bite #3

Luxurious skincare products are not just for the A-listers. **Sarah Jones London** is the brand-new skincare range that is flying off the shelves in department stores across the UK and the US. Try **Pure Magic** gentle exfoliating crème with extract of lemongrass, basil and chamomile... **Sienna Miller** and **Jade Jagger** are already big fans.

Magazine bite #4

Sarah Jones London is the new skin and body care range that superstars on both sides of the Atlantic are raving about. Energetic souls such as **Angelina Jolie** and **Jade Jagger** are going crazy for **Secret Garden** radiant body crème with extract of orchid, whereas sensitive skins like **Sienna Miller's** will love **Rose Kiss** balancing toner with extract of rose and aloe.

Magazine bite #5

Treat your skin to a spa-standard facial masque: **Sarah Jones London** is the hottest name in skincare

at the moment, and **Rosy Glow**, her soothing facial masque with rose, neroli and jasmine is guaranteed to leave your skin as soft and glowing as **Sienna Miller's**.

Magazine bite #6

Hard-working hands need tender loving care... and you won't find many products that are kinder to the skin than the new range from **Sarah Jones London**. Dermatologist and aromatherapist Sarah blends the highest-quality organic ingredients which she personally sources from around the world. Try **Nature's Wish** antibacterial hand wash peppermint and tea-tree, followed by a generous slather of **Velvet Glove** hand lotion with milk honey, laurel leaf and lemon. A-listers **Angelina** and **Sienna** and both fans... and with products as gorgeous as these, it's not hard to see why!

Magazine bite #7

Skincare guru **Sarah Jones** formulates exquisite spa-standard products that will nourish and brighten even the most sensitive of skins. Make like **Angelina Jolie**, and treat yourself to **Truly, Madly, Deeply**, a facial cleanser with extract of bergamot, sweet orange and ylang ylang, that penetrates deep down into the skin's pores, removing every last trace of dirt. Follow with a super-hydrating crème such as **Love Ever After...** the secret blend of essential oils that will give your skin a real red-carpet glow!

Magazine bite #8

Stocking up with spa-standard product isn't as expensive as it sounds: **Sarah Jones London** is the hot new skincare range that is affordable *and* incredibly effective. Dermatologist and aromatherapist Sarah has been hand-blending personal skincare products for a growing number of clients for over ten years. Sensitive skins like **Sienna Miller's** will adore **Rose Kiss**, a balancing toner with extract of rose and aloe... or if your skin is in need of all-over nourishing, make like **Jade Jagger** and massage in a generous helping of **Secret Garden**, a sumptuous body crème with extract of orchid.
